## Help on translating the Ubuntu guide   Ver 20240427

New pdf manuals (Ubuntu...trans.pdf) have been added to the Ubuntutor.com home page.
**These manuals can be converted to the desired language using Google Translate.**

1. Copy the desired Ubuntu...trans.pdf file to your computer. The file must be a pdf file of less than 10 MT.
2. Open Google Translator in your browser and follow the instructions below.
**Good luck!**

1. Open Google Translator
